

ABOUT US

Eco Oil Co. is a Saudi-based company specializing in the collection, aggregation, and bulk supply of used cooking oil (UCO) from restaurants, hotels, and food service operations across the Eastern Province of Saudi Arabia. We operate a reliable, growing collection network and supply UCO feedstock in bulk to renewable fuel producers, biodiesel manufacturers, and industrial buyers — with pricing aligned to current market rates and consistent monthly volumes.

200+

Tons Supplied Monthly
(and scaling)
